INVESTMENT OBJECTIVE

The objective of the Compartment is to offer investors equity portfolio returns across a business cycle, by investing in stocks and integrating environmental, social and governance ("ESG") considerations, while keeping the volatility in line with the long-term average of the asset class.

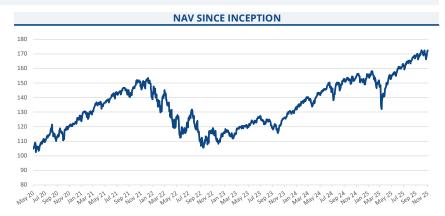

The Compartment takes ESG characteristics into account as part of its selection process. In that respect, the Compartment promotes environmental and/or social characteristics within the meaning of Article 8 of SFDR.

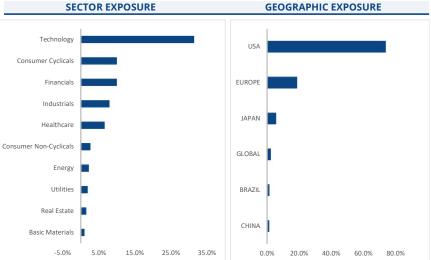

For the assessment, areas like corporate strategy, corporate governance, transparency and the product and service range of a company are taken into account in the investment process and strategy
