## INVESTMENT OBJECTIVE

The objective of the Compartment is to achieve a long term positive absolute return with a short term moderate risk through a combination of capital growth and income, by investing in stocks and integrating environmental, social and governance ("ESG") considerations. Capital growth and income will be balanced against each other, subject to market conditions, to meet the general objective of the Compartment.

The Compartment takes ESG characteristics into account as part of its selection process. In that respect, the Compartment promotes environmental and/or social characteristics within the meaning of Article 8 of SFDR.

## Risk Indicator (SRI)

The risk/return profile of the Sub-Fund is represented by a synthetic indicator that ranks the Sub-Fund on a scale of 1 to 7. This scale, in ascending order from left to right represents levels of risk and return from the lowest to the highest.
